

Section 3161 120-Day Notice

In April 2009, in accordance with Section 3161 of the National Defense Authorization Act for Fiscal Year 1993, the Department of Energy, Savannah River Operations Office (DOE-SR) posted the final version of its Workforce Restructuring Plan for the Savannah River Site (SRS). The Workforce Restructuring Plan states that contractors performing work at the SRS may have to reduce the size of their workforces in response to changing work scope and/or the completion of work.

The SRS Management and Operating Contractor, Savannah River Nuclear Solutions (SRNS), has determined that it must reduce the size of its workforce during Fiscal Year 2011. SRNS will conduct the workforce restructuring in accordance with the approved Workforce Restructuring Plan.
